ROAD AHEAD FOR iOWN TOKEN

THE USES OF iOWN TOKEN

Q1 2022

UPGRADE & IMPLEMENTATION

iOWN Token will migrate from Ethereum Blockchain to BNB Chain, the new contract is completed. This result to current scalability hurdles with ETH, transaction fees and support our goals.

The new Max token supply will be **350M**. The new BNB Chain contract is currently under audit by **CERTIK**.

Q1 2022

DISTRIBUTION & EXCHANGES

After the CERTIK audit certification the new token will be distributed to current holders on the newly updated and BNB Chain compatible **iOWN Wallet** with the ratio of 1:1.

iOWN Token will be listed on Coinsbit exchange. The token will also be listed on another centralized exchange-under review.

Q2 2022

PARTNERSHIP & UTILITY

DEXs listing (Pancakeswap) will take place after 2nd Centralized Exchange listing.

iOWN Token will be utilized as a payment method with the **IN4X Global** platform.

The token will also be used to invest in real estate through iOWN Group partner **AMLAK Digital**.

Q3 2022

PARTNERSHIP & UTILITY

As multi-utility token, iOWN can be used within the blockchain-based equity crowdfunding platform, **iOWNX**.
